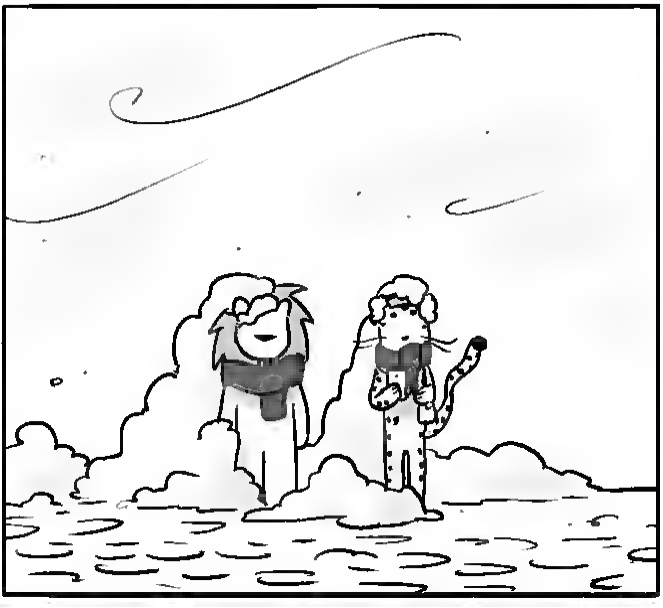
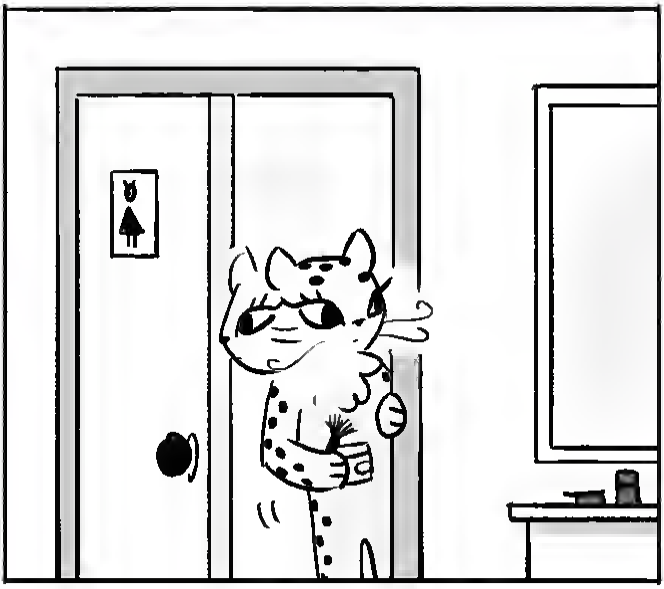
The Frozen Medley

It's freezing cold!
Yeah, they have been talking about it for a long time...

...said a mammoth snowstorm is hitting the coast soon...

BOOMBOOMBOOM





♩ ♫

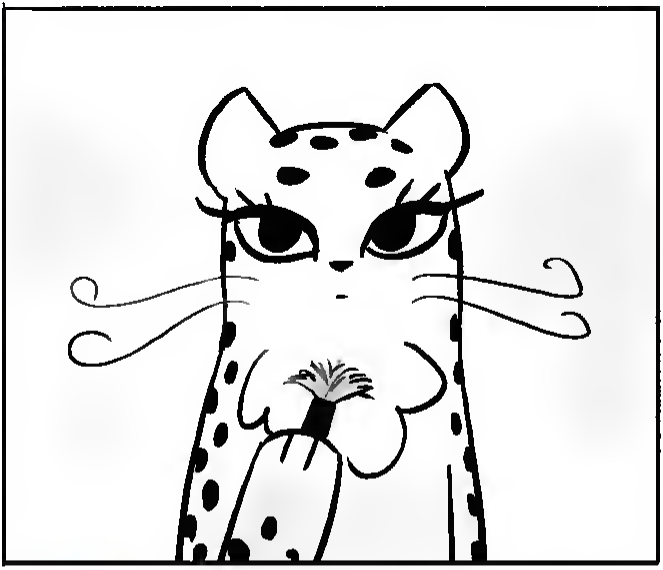
Don't let them in

Don't let them see

Be the good girl you used to be

Conceal, don't feel

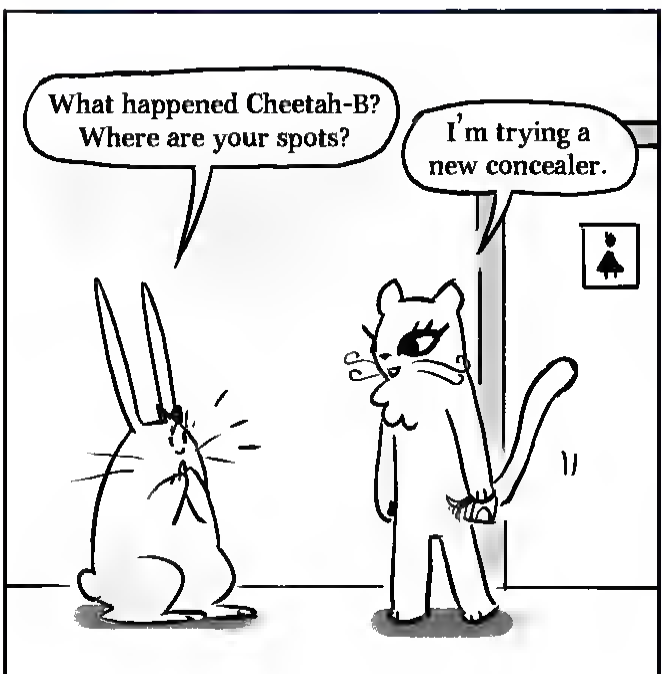
Don't let them know

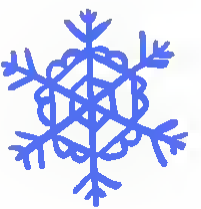


Well now they

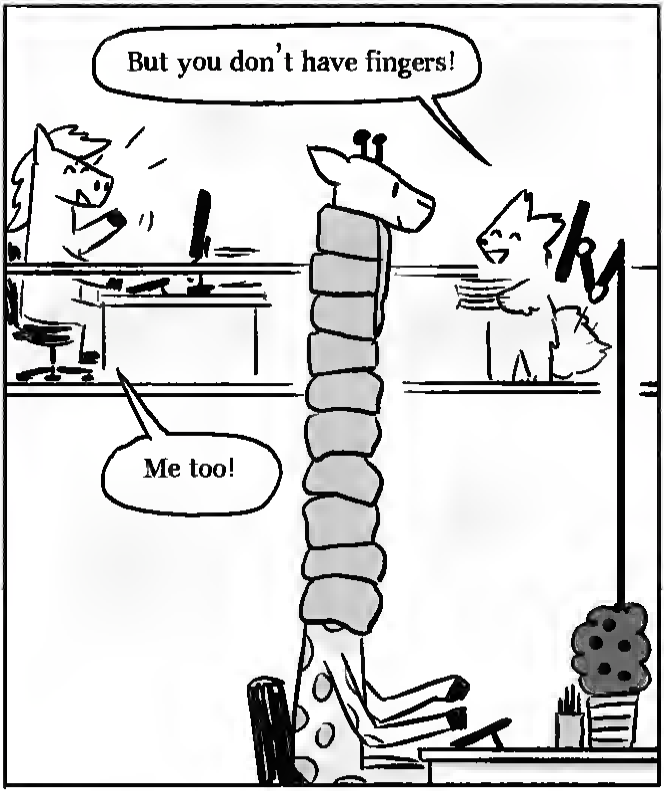
Knowwwwwwww

♫

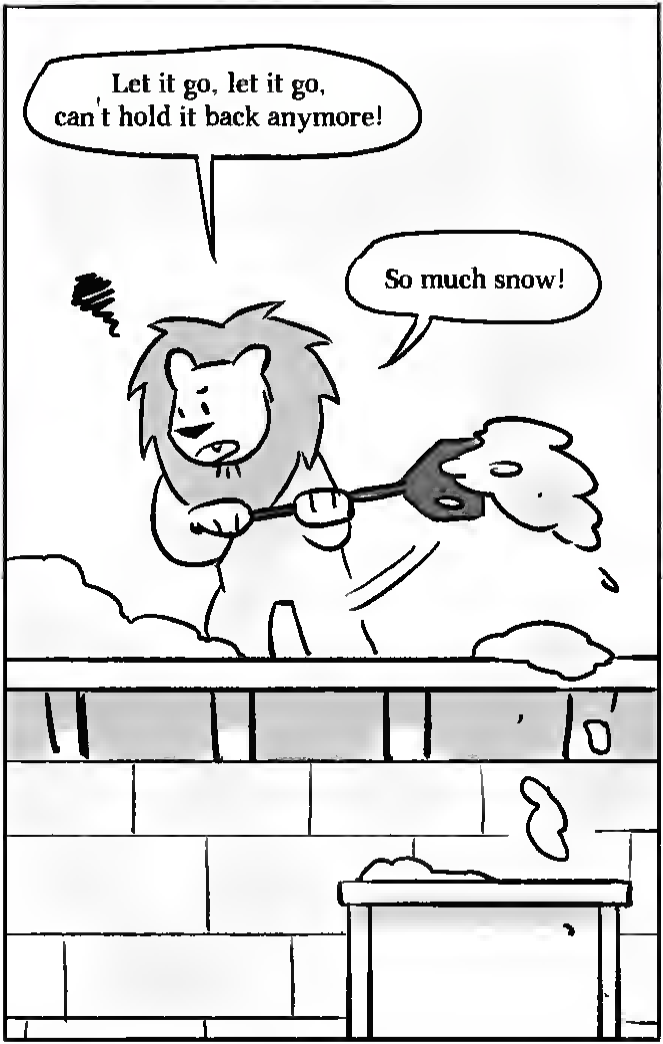




It's so cold, I can't feel my fingers!!

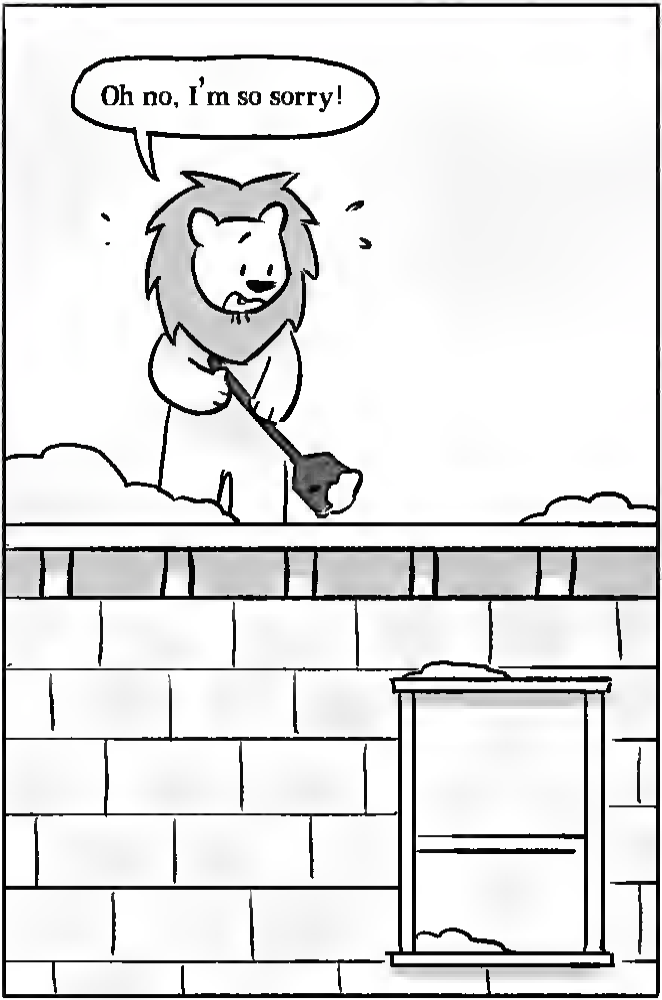


But you don't have fingers!
Me too!



Let it go, let it go,
can't hold it back anymore!
So much snow!

SPLASH.



Oh no, I'm so sorry!

...the cold never bothered me anyway.

ROAR STREET JOURNAL

Ceylan Misirli

Hello, I'm from Turkey and our national animal is the grey wolf (not turkey). Also my name is Ceylan, which means doe or gazelle in turkish.

Readers from Turkey!

According to Turkish folklore, the grey wolf led the Turk's ancestors out of their homeland into Anatolia, and conquered countries along the way.

There used to be many grey wolves in Turkey but they have almost gone extinct now.
